

Science Priorities for a European Wide-Field Radio Interferometer

Wednesday 25 October 2023

Pulsar Timing and PTAs (14:00 - 17:30)

time	[id] title	presenter
14:30	[12] The Thousand Pulsar Array: A large pulsar monitoring campaign on MeerKAT	KARASTERGIOU, Aris
15:00	[13] Masses and precision tests of gravity with continuous pulsar timing	Dr FREIRE, Paulo
15:30	[2] Pulsar timing at the Argentine Institute of Radio astronomy	ZUBIETA, Ezequiel
16:00	Coffee & Tea	
16:30	[20] The future of PTA science	SHAIFULLAH, Golam
17:00	[21] Discussion about ARGOS pulsar timing requirements
